SRF Golf Date is Slated for a Dark Racing Day

For the first time in 24 years the Standardbred Retirement Foundation's (SRF) annual charity golf outing found a day for its event when racing in the tri-state area is dark, so join us on Wednesday, May 18, 2016 for what will be a fabulous event.

Hosted by Knob Hill Country Club in Manalapan, NJ lunch starts at 11:30 am and Tee time is at 1:30 sharp when the hole in one shot to win a million dollars kicks it all off. This very popular event sells out every year and is an integral fundraiser for SRF to help care for 208 trotters and pacers all hoping for homes. Unlike any other charity, SRF has retirees pensioned who have served owners, trainers, drivers and racing very well and need help.

The total cost for this fun filled event which includes lunch, greens fees, cocktails, a full buffet dinner and dessert, prizes such as an iPad Air, live and sealed bid auctions that will be online and at the event, trivia fun, a raffle and MORE is only \$195 when paid by May 4th, 2016. Sponsorships offer full signage on the greens and continued signage throughout cocktails and dinner, coverage on the media screen, in the program and newsletter, and some include a personalized sponsorship logo item for all guests. If you do not golf then join for the lively conversation, cocktails and dinner for \$59.

SRF appreciates sponsors for the event, and gifts for the auctions or raffles such as tickets to sporting events, services, vacations, gift cards and any other similar items. In past years items included a Pennsbury Track Trainer, a harness from Finn Tack, Disney tickets, starting gate rides, stake services, veterinary services, a full body scan from Mid-Atlantic Equine, Hogan Equine Clinic services, Yankee tickets, a tour of NBC Studios, fine wine and much more. If you cannot physically be present and wish to bid, items will be available for bidding on SRF's website AdoptaHorse.org starting in early May. Phone bids will be welcomed for some items.

To golf, sponsor, donate an item and for more information contact Tammy at 732 446 4422, or browse SRF's website at AdoptaHorse.org. SRF is a 501c3 non-profit; gifts and sponsorships are tax-deductible.
