SRF is Different:

- Is the largest Standardbred adoption program in the U.S.
- Helps Standardbreds exclusively, young, aged, injured, neglected, or abused.
- Is feeding and caring for more than 300 trotters and pacers.
- Is providing lifetime homes for more than 150 retirees and provides lifetime follow-up for every adopted horse, never to be at risk again.

Chrominator brightens the season in this photo with his latest adopter. Thanks to SRF's model follow-up program, so no SRF horse will ever be at risk again, he is on his third home and it appears to be his lucky last. The handsome son of Pacific Rocket had earnings of \$143,000.

Sea It Again, son of Seahawk Hanover now 30 years old-retired with SRF.

Lake Club, the 22 year old son of Artsplace, is still hoping for a home in spite of his age and a few ouchy days romping the fields.

Desist Hanover, son of No Nukes, a big boy at 16.2 and just 15 years old is only comfortable as a pasture puff and has been eating grass with SRF since 2006.

Osmosis, son of Badlands, is just 15 with earnings of \$102,000 and has the company of Desist Hanover in the field. He has been with SRF since 2002.

Duke of Earl, a son of Earl, now 20 years old with more than a quarter of a million earned back in the late 90s.
