## FOR IMMEDIATE RELEASE

### Update - Horse in Dire Need

**Cream Ridge, NJ - 1/16/19** - Only thirteen of thirty-five trotters and pacers tagged to ship to slaughter have safe homes to go to. Twenty-one are still in great need and will be shipped to the Mexican and Canadian slaughterhouses if homes or other organizations do not help by Friday, January 18<sup>th</sup> at 4pm.

The Standardbred Retirement Foundation, (SRF) SRF will do all it can to help, but taking in more horses at this time will weigh further on its financial burden with 378 trotters and pacers under its expense and care. A spreadsheet is attached and help is needed now.

The mare in foal due in April, Funny Girl, is safe with home offers which will be worked out once the crisis is over.

Any of the horses can be paid for and homed directly from the kill lot or through the help of SRF or SOSS; go to the SOSS page on Facebook for information or message them through Facebook. You can also contact SRF directly, via email to [SRFadoption@gmail.com](mailto:SRFadoption@gmail.com), or call [609-738-3255](tel:609-738-3255) to offer a home or make a donation. SRF asks for help from other organizations but they must have a strict and active policy of lifetime follow-up.

These horses are in Pa., NJ, Va. and Kansas. Tax-deductible donations can be made on our website at [AdoptaHorse.org](http://AdoptaHorse.org) or via [Paypal](https://www.paypal.com). For questions, please call Tammy 609-738-3255.
