# Friday Update on Horses in Trouble

**Cream Ridge, NJ - 1/18/19** - Twelve of thirty-five still do not have a safe place to go. The help that stepped up so far is amazing, a few went back to owners and breeders, one owner will sponsor their two so they are safe, and adopters opened their hearts and homes. Twenty-six are safe and have homes.

Getting every horse out is the goal, it would be very sad to leave any behind. The Standardbred Retirement Foundation, (SRF), in desperation, made it attractive for the "kill lot" to agree to hold the remaining twelve through the storm. The deadline now is Monday, January 21 at 5pm. SRF hopes that having a couple of days will change the destiny for these

animals already tagged to ship to the Canadian slaughterhouse. The staff at SRF will work through the weekend.

Any of the horses can be paid for and homed directly from the kill lot or through the help of SRF or SOSS; go to the SOSS page on Facebook for information or message them through Facebook. To offer a home or make a donation through SRF directly, email SRFhorsesandKids@gmail.com or call 609-738-3255. SRF asks for help from other organizations but they must have a strict and active policy of lifetime follow-up.

These horses are in PA, NJ, VA. and Kansas. Tax-deductible donations can be made on our website at <u>AdoptaHorse.org</u> or via <u>Paypal</u>. Approximately \$4,200. is still needed for "bail", medical care and shipping. For questions, please call Tammy 609-738-3255.
