UPDATE: SRF Friends Got it Done

Millstone Township, NJ - Nov. 13, 2017 - Where would 38-39, and now 40 Standardbreds be without the community of love for these horses; every one has been saved.

Some will be homed with wonderful people soon. Some will come to SRF for the care they deserve after years of pounding the track, and years of pounding the asphalt. Another update will be provided as soon as arrangements are completed to get them on to their new lives. "The thanks for helping every one of them is difficult to express," Tammy Cailliau, SRF's Administrator, struggles to say, "It's been tough, and emotional, and our gratitude is immense."

SRF is different than any other organization:

- Helps Standardbreds exclusively;
- Does not limit help to only adoptable horses;
- Follows up for life on a semi-annual basis so no horse is ever at risk again;
- Never relinquishes ownership, *requiring* any adopted horse in need of another home to be returned to SRF.
