## FOR IMMEDIATE RELEASE

### Their Freedom Ride to SRF

#### Cream Ridge, NJ - 2/24/2020 -

The last of the trotters and pacers the Standardbred Retirement Foundation, (SRF ) has been trying to keep from shipping for slaughter have left the pen on their freedom ride. Fifteen of the remaining Standardbreds were loaded at about 5:30 pm on Saturday at the kill pen in Shippensburg, Pa and arrived at the boarding facility the Standardbred Retirement Foundation, (SRF) uses.

These horses are all in need of homes, foster homes, and sponsors. For now they have temporary help into the fall, but the goal is for each one to have a loving home, something they have likely not had before. The horses are Igotthegasthetolls, Ciro's Best, Bamboo Hanover, Logan's A Winner, Airy Heir, Oxford Sport, Hoosier HH King, Beat My Drums, Love's Last Storm, Pleasemesleazy, Thro Time, Powerful Ball, Victory Chief, Nod Ya Head, Ideal Cash,

Hoorayforvacation. Princess Lola was injured in the pen and was put at peace. Hoorayforvacation is being treated by a Veterinarian, but the odds are not in his favor. He likely has an old infection in the hock that was not treated before. The horses will be having their shoes pulled, their feet trimmed, their teeth tended to, wormed, cuts treated, and fed according to their needs. Visitors are welcome but, must call to arrange first.

SRF thanks everyone who helped, and is still helping these horses, that is what changed their destiny.

To offer a home or foster home, sponsor a horse, or make a tax-deductible gift contact Tammy Cailliau at 609-738-3255, [SRFHorsesandkids@gmail.com](mailto:SRFHorsesandkids@gmail.com) or go to [AdoptaHorse.org](http://AdoptaHorse.org).

### About Standardbred Retirement Foundation

*Standardbred Retirement Foundation is a 31 year old 501c3 non-profit providing human care and services for horse in need of lifetime homes, and in crisis, through rehabilitation, training, adoption, life-long follow--up or life time sanctuary and offers therapeutic equine opportunities for children and adults.*
