### Two Days Left in SRF's 12 Days of Giving

Millstone Township, NJ - 12/18/17 - Just two days left for the **Standardbred Retirement Foundation's** 12 Days of Giving campaign and hope remains especially for the last three wishes to help the horses in need.

A gift has been received to help one in a kill pen to move to safety and for quarantine, but most often these horses need time to rehabilitate and become whole again. This important gift remains unchecked on the list along with retiring one to a loving home for life; and help for a redesigned database to track 3000 adoptions; the care for more than 300 under SRF's expense; adopter applications; boarding facilities for SRF's horses; quarantined horses; farrier, dental, worming, vaccination schedules; transportation; needed medical treatment; training information and more. Please make a tax-deductible gift and help SRF start 2018 off on the right "track".

SRF is Different:

- Is the largest Standardbred adoption program in the U.S.
- Helps Standardbreds exclusively, young, aged, injured, neglected, or abused.
- Is feeding and caring for more than 300 trotters and pacers.
- Is providing lifetime homes for more than 150 retirees and provides lifetime follow-up for every adopted horse, never to be at risk again.

Chrominator brightens the season in this photo with his latest adopter. Thanks to SRF's model follow-up program, so no SRF horse will ever be at risk again, he is on his third home and it appears to be his lucky last. The handsome son of Pacific Rocket had earnings of \$143,000.
