FOR IMMEDIATE RELEASE

Valley Victory Son Seeks Help

Cream Ridge, NJ - 2/19/19 - Trial Victory, the 27-year-old son of Valley Victory, has only a few years left to grace this earth as his life hangs in the balance. He is in need of a place to call home. Just 15.1 hands, small, very quiet and mannerly, there isn't a thing about him that would make anyone believe he is still intact. Without a home to go to, the Standardbred Retirement Foundation (SRF) must return the donations received to pay his fee to be released from the kill pen in Tennessee, and he will ship for slaughter.

Not one person has offered a patch of grass for him since he was noted to the industry and the public. His life is nearing its end, how many more years might he live, now nearing 30 years of age. He has funds to be released and a place to quarantine nearby, he just needs a home.

SRF must inform the kill pen of its plans by Wednesday, February 20th, when they will list him on the manifest to ship to Mexico. Trial Victory is in a desperate situation, the only other option is if he has a sponsor or a few sponsors to accommodate his life needs at a facility in Virginia at \$400 monthly, which is a tax-deductible. To offer him a home, or to be a sponsor so he can live his last few years, please contact Nicolette at 609-738-3255 or email at SRF.SocialMedia@gmail.com.
