FOR IMMEDIATE RELEASE

SRF's #Giving Tuesday Update

Cream Ridge, NJ - 12/4/19 - Generous and caring friends of these horses did it. They gave and they doubled their gift to these noble trotters and pacers under the care and expense of the Standardbred Retirement Foundation, (SRF). An anonymous donor offered to match every dollar donated up to \$12,500 giving these horses hay, grain, medical care, worming, hoof care, and dental care. Giving Tuesday's effort and success will keep their bellies full and provide warmth through these cold nights.

SRF is very grateful to each and everyone who made a difference for these horses. SRF couldn't do it without you.

(The Standardbred in the photo was initially weighed and tagged to ship to the Canadian slaughterhouse until SRF diverted him to safety. Unfortunately, he was very ill and was sent to an equine medical center. There is some improvement noted by the veterinarians, a direction that could have gone the other way. It is still too early to tell if he will have a full recovery. We are all happy for the first piece of good news for this struggling fella.)
