Mare in Foal Seeks a Home, SRF Asks for Help

Millstone Township, N.J., Nov. 27, 2017 - Surprise, surprise - one lucky mare has made it to the safety of the Standardbred Retirement Foundation (SRF). Tee's Mean Machine showed up from the kill pen looking like she might be pregnant, and SRF has confirmed that she is in fact in foal. Her due date, at best guess is in February, and the father is a mystery. SRF is not set up for what she will need

or for handling a foal and seeks an experienced home or foster home for this healthy mare. She is just 12 years old. To offer help, please contact Tammy Cailliau at 732-446-4422 or via email at SRFHorsesandkids@gmail.com.

SRF is the largest Standardbred adoption program in the U.S. with over 3,000 adoptions since 1989. SRF is different as it helps Standardbreds exclusively;

- Young
- Aged
- Injured
- Neglected
- Abused
- Feeding and caring for more than 272 trotters and pacers
- Providing lifetime homes for more than 150 retirees
- Provides lifetime follow-up for every adopted horse, never to be at risk again.
