### SRF Seeks Breedings to Feed 378 Standardbreds

**Cream Ridge, NJ - 10/24/19** - The Standardbred Retirement Foundation, (SRF) seeks tax-deductible donations of breedings to help the 378 trotters and pacers under its expense and care.

SRF is the largest, most productive, Standardbred exclusive non-profit in the US caring for 350 % more trotters and pacers than any other organization. Ninety percent of the support to care for these horses comes from the generosity of individuals.

#### Why SRF needs your help. It's different:

- SRF follows up semi-annually on every adoption for life so no horse is ever at risk.
- SRF cares for 350 more horses every day than any other Standardbred exclusive organization.

Your support through tax-deductible breeding donations, or with a tax-deductible gift is much needed and appreciated.

Please support this vital fundraiser.
