SRF Has New Breedings for Sale

The Standardbred Retirement Foundation (SRF) has a few new breedings for sale, and asks those who are holding breedings they will not be using to consider donating to help support the 2014 Standardbreds in its care.

These breedings available as of today are Beatitude; Chip Chip Horray; CR Excalibur; Diamond Goal; Trixtan; Four Starz Robro; Holiday Road; Net Ten Eom; Tarver Hanover; The Fraternity Pan; Three Olives; Western Hero; Ponder; and Windsong Espoir.

The most important and consistent source of funding, which comes from yearly and lifetime breeding sales and donations helps provide for the care, boarding, feeding, veterinary, farrier, dental, worming, rehabilitation and re-training of 204 Standardbreds, of which more than 100 are permanently retired due to age and/or injury.

This is SRF's 27th year as the only organization solely dedicated to the Standardbred breed, the only one of its kind also providing full care for horses when adoption is not possible, and following their welfare in every home diligently for life. SRF has served thousands of Standardbreds, and helped hundreds of children through its award winning programs. Breeding donations, and SRF's sale of such gifts make a substantial difference.

To donate or purchase a breeding please contact Tammy Hollock at 732-446-4422 or email accounting@srfmail.com. SRF is a 501 (c) (3) non-profit organization and gifts to SRF are tax-deductible.
