Hours Left in SRF's 12 Days of Giving - 4pm Update

Millstone Township, NJ - 12/18/17 - Since our posting just two hours ago, wonderful gifts have been received for the last day of Standardbred Retirement Foundation's 12 Days of Giving campaign.

Three wishes remain, but only partial for two. Number five is for immediate help to one horse for rehabilitation after the lack of care and kindness in a kill pen and that wish has a wonderful partial gift. Retiring to pasture because the physical stress of racing on a horse's legs and or age has adopters passing over time and time again is not yet granted. Last is number 10, and two new friends have granted gifts towards this expensive need, it is SRF's database software which has not be updated in about 15 years, and SRF has grown so much. It tracks 3000 adoptions; the care for more than 300 under SRF's expense; adopter applications; boarding facilities for SRF's horses; quarantined horses; farrier, dental, worming, vaccination schedules; transportation; needed medical treatment; training information and more. Additional help for each wish is also greatly appreciated. How about granting a wish as a holiday gift.

Please grant a needed wish or part of one, make a tax-deductible gift and help SRF start 2018 off on the " right track

" Contact Cathy at [732-446-4422](tel:732-446-4422) through 5pm and [732-616-8836](tel:732-616-8836) after 5pm, or email us at SRFHorsesandKids@gmail.com, or see the list and make your giving easy visit [our website](#) to make a tax-deductible donation. Thank you to all who helped and to those ready to grant a hug to a horse.

On behalf of all of us at SRF, we would like to wish a happy holiday season, and all the best of luck in the new year.

SRF is Different:

- Is the largest Standardbred adoption program in the U.S.
- Helps Standardbreds exclusively, young, aged, injured, neglected, or abused.
- Is feeding and caring for more than 300 trotters and pacers.
- Is providing lifetime homes for more than 150 retirees and provides lifetime follow-up for every adopted horse, never to be at risk again.

Chrominator brightens the season in this photo with his latest adopter. Thanks to SRF's model follow-up program, so no SRF horse will ever be at risk again, he is on his third home and it appears to be his lucky last. The handsome son of Pacific Rocket had earnings of \$143,000.
